

Contract (Wireless Install Agreement)

I agree that I have the authority to make decisions regarding the placement and wire routing and any drilling that is needed to complete the wireless equipment installation. I also agree that I have full authority to make this decision, and if changes are made after completion of the install, I agree to pay for any additional work to move or relocate the equipment. I also agree that I am pleased with the installation provided me by Metro Service Center. I also agree should I fail to fulfill my contractual obligations with Metro Service Center, I will return make available and give access to

property and/or pay full retail costs including but not limited to labor and all costs incurred to retrieve all equipment, including, but not limited to, wireless equipment, wireless router, power injector, and wire.
